

COMPANY PROFILE

AlphaVets, Inc. is a leading government contractor providing quality, name brand products to government and commercial customers. Our leadership has over 30+ years working in the global supply chain management. We offer over 1 million products from a variety of categories. AV specializes in contract solutions for local, state & federal agencies where integrity is first followed by excellence in what we do. Our exemplary customer service and fair pricing are just a few of the top values that separates us from others!

***President & CEO, MAJ Cynthia L. Spragg, USAF (ret.), PhD, MSPH, RPA,** is a recently retired Air Force Officer with 35 years of Leadership experience. She has served 23 Enlisted years in the Navy Reserves & 12 Officer years in the Air National Guard. She has deployed in support of Operation Desert Shield/Storm, Operation Enduring Freedom, and Operation COVID-19. She joins a family legacy of military service. Dr. Spragg continues her military support for the Natl Guard and Reserves by occasionally conducting Periodic Health Assessments (PHAs) as a registered Physician Assistant.*

DIFFERENTIATORS

AlphaVets' project managers utilize a 150,000 sq ft warehouse to store and kit almost ANY combination of products. If you can think of it, we can do it! We have built kits small enough to hold travel hygiene products to large mobile disaster units (portable walls, handwashing stations, various dispensers, etc.).
