## About Us

AlphaVets Inc. is a premier diverse supplier delivering high-quality, name-brand products to federal and commercial clients. With over 30 years of leadership experience in global supply chain management, we offer access to more than one million products across a wide range of categories. Our comprehensive contract solutions are built on a foundation of integrity, operational excellence, and dependable customer service.

Our proven success in the federal contracting space is demonstrated by consistent “Exceptional” ratings in the Contractor Performance Assessment Reporting System (CPARS)—a distinction awarded to contractors who exceed expectations in quality, on-time delivery, cost control, and communication throughout the contract lifecycle.

AlphaVets’ inclusion in the Federal Emergency Management Agency (FEMA) emergency procurement program, following rigorous vetting by the General Services Administration (GSA), further validates our ability to support mission-critical and time-sensitive operations. These recognitions underscore our reliability and expertise in managing complex supply chain demands under urgent conditions.

Beyond federal partnerships, AlphaVets supports major hospital Group Purchasing Organizations (GPOs), showcasing our adaptability and commitment to excellence across both government and commercial healthcare sectors. These relationships reflect our capability to manage large-scale, multifaceted supply chains while maintaining a reputation for responsiveness, reliability, and high performance across diverse industries.
